<u>Missions Cooking for Manna</u>—this month's schedule is a bit different due to Holy Week activities. Please join us in the church kitchen on **April 24 at <u>5:30 p.m.</u>** to help cook meals for Manna. With this meet/cook time an hour earlier, you just might be able to attend the UMM/UMW Potluck and Guest Speaker night (see announcement below).

Spring Potluck and Guest Speaker - The Methodist Men and Women are excited to announce a spring potluck dinner and guest speaker on **Thursday**, **April 24 at 6:30 PM**. We'll start with a potluck dinner in the fellowship hall and then have our guest speaker, Steve Bjornstead (Janet Leonard's cousin) who will be speaking to us about Safe Water RIM. Safe Water RIM is a Kampala, Uganda based ministry group that installs water purification systems in homes, schools and many rural areas to provide safe drinking water. More information can be found at http://swrim.blogspot.com/. They are also on Facebook. This will be a great time of fellowship and learning about a wonderful ministry that we could easily help with. This event is open to all who wish to attend, we just ask that you **sign-up ahead of time on the clipboard in the lobby** and indicate what you will bring (main dish or desert). Drinks will be provided. This will let us know how many tables and chairs to set up for the event.

Please support the **Youth Flower & Plant Sale** by ordering and buying your bedding plants and spring vegetable plants (single pots, market packs, flats, and baskets of various sizes will be available). Proceeds will help fund the youth mission trip this summer. Order on the electronic form from the link on the church's website or pick up a form at the Hospitality Desk. **Plants will be available for pick up on May 4, 11, & 18** at the church after the worship services. Extra plants will be available for purchase as well. Any questions, please contact **Deb Knerr** at 215-855-4087 or theerevndeb@gmail.com.

The *Stitching Sisters* will meet on **April 24**th, from 10:00AM-noon in the lounge. We are currently working on two projects. We are making 200 small tree ornaments for the Breakfast with Santa goodie bags. We are also making several hat/scarf/mitten sets for the mothers of the families on the Christmas Giving tree next December. Patterns are posted on the Missions board in the lobby. Thank you to all the people who help us; whether you attend our meetings or not. And thank you for all the donations that have appeared at our collection box. Any questions or if you'd like to be on our group e-mail list, please contact **Karen Fallows** (214-822-6762, kbfallows@comast.net).

The annual Lancaster trip will be on April 26. Note to all attendees: the Hagey Coach will leave the church parking lot at 8:00 a.m.

Financial Information: Special offerings

A THOUGHT FROM THE ENDOWMENT COMMITTEE

It's time to SPEND (how often do you hear that?!?) and we need your ideas! We surpassed our initial goal of \$50,000 in the Endowment Fund in 2013; after the Fund tithed to itself, we have \$700 in interest earnings to spend in 2014. We need your ideas of projects that will be impacted by a grant of \$700. Describe your proposed project by completing the brief Spending Proposal form available at the Hospitality Desk or from any of the chairs of the Missions, Trustees or Christian Education committees. Proposals are due by May 18. Don't wait – submit your ideas so together we can put our

COMPASSION INTO ACTION.

Easter Offerings - During the Easter season, it is encouraging to see both new and familiar faces at our worship services. Throughout the year, many of you already support the congregation with your time, talent, and financial contributions but greater participation is always welcome. We encourage you to look into our electronic giving program. It takes just a few minutes to set up a recurring giving plan. Visit our church website under "Electronic Giving" or pick up a form at the Information Center. For more information, contact Frank Ross or Phil Woodruff.

Heifer International works to empower families to turn hunger and poverty into hope and prosperity by teaching and providing opportunities. Heifer links communities and helps bring sustainable agriculture and commerce to areas with a long history of poverty. The core of their model is Passing on the Gift. Families share the training they receive and pass on the first female offspring of their livestock to another family. The goal of every Heifer project is to help families achieve self-reliance. You have the power to give a hungry family the training it takes to feed themselves and their children with your donations. Thank you for your support.

Honoring & Remembering Special Ladies on Mother's Day...

This Mother's Day, remember the women who have touched your life by listing their names in a special insert in *The Communicator* on **May 11**th - your mother, daughter, aunt, niece, grandmother, granddaughter, or friend - those who are with us, and those who have gone before us. You'll find a form at the Hospitality Desk - put the form, with a \$1 donation (for each name) to fund UM Women's projects, in the box provided by **May 4**. Please include your name and phone number/email on the form with the name of the lady/ladies you wish to honor/remember.

Apple Dumpling Sale at Lansdale UMC—pick up an order form at the Information Center in the lobby. Orders are due by April 27; pick up on May 7 at Lansdale UMC (300 N. Broad St., Lansdale). Questions, please contact Betty Starrett at 215-855-6734. Cost is \$4.00 each.

"Grocery" Gift Cards: our church receives a discount when we buy the gift cards, 5% (or more!) for most stores, a generous 25% from the Lansdale Deli. Our members (and visitors) can buy and redeem gift cards at face value. The proceeds are applied to the principle of our building mortgage. Visit the Hospitality Desk any Sunday to buy your gift cards. Participating stores: Acme, Shop Rite, Henning's, Kohl's, CVS, Boscov's, Applebee's, Weis, Giant, Lansdale Deli, Boston Market.

Did you lose a bracelet? If so, please call the church office (one was found in the parking lot on Palm Sunday).

GOOD WORKS IN ACTION - Saturday, April 12 saw 4 members of our congregation volunteer at Good Works in Phoenixville. Located on the campus of Valley Forge Bible College, this location of Good Works works in Phoenixville, Spring City, and the surrounding area to provide warm, dry, clean, and safe housing to residents who otherwise would not be able to afford such every day pleasures. We started a project to re-roof a home in Spring City. Working with other volunteers, the existing roof was removed, then an ice-shield and new tar paper was placed on the roof. The Youth of Christ United Methodist worked in January, and are scheduled to volunteer again on May 10. Look for opportunities this summer and fall to help our fellow brothers and sisters who are in need.

Adult Sunday School Options

<u>Reichley Fellowship Class</u> – A challenging curriculum that relates scripture to daily living, taught by a group of leaders offering varying points of view and opportunity for discussion. We begin each week with devotions and hymns. Join us in the Reichley Room (as you enter the church, make a right as you go through the lobby - we are the fourth door on the left). We'd love to become an intergenerational class - we can learn a lot from each other!

<u>"Journey 101"</u> – With weekly DVD's & modest self-study, it's the basics of the Christian faith: starting in our head, moving to our heart, & being lived through our hands. If you're someone who regularly comes to church, but feels your knowledge is lacking, this class is for you. If you send the kids to Sunday School & Vacation Bible School, and are beginning to worry that they know more than you, this is for you. Class is taught by **Pastors Gary & Tawny.**

<u>Open Forum & Seekers</u> classes will be combining for 6 weeks (beginning March 30) to study a new series: Adam Hamilton's - The Way, Walking in the Footsteps of Jesus. The 6-week DVD series will guide us through the journeys of Jesus' life and ministry. We will be meeting in Open Forum's class room. **Judi Plummer** is the facilitator.

<u>Bible Study Class</u> – is studying the Gospel of Luke. We meet in Room #7 of the Fellowship Hall. Feel free to join us. **Ken Gingrich** is the facilitator.

<u>Pairs and Spares Class</u> – This class is open to all young (and young at heart) adults. Just grab a cup of coffee and join us in the Lounge for a friendly and open discussion. We're starting a new study on Faith Lessons on the Early Church with Ray Vander Laan. Filmed on location in Turkey and Israel, this video series brings God's Word to life with astounding relevance. By weaving together the Bible's fascinating historical, cultural, religious, and geographical contexts, teacher and historian Vander Laan reveals keen insights into Scripture's significance for modern believers.

Children's Sunday School

Sunday School (preschool - 5th grade) students are learning "I know that Jesus lives!". Today's lesson is "Easter" (Luke 24:1-12). Parents please read the Bible passage and discuss the lesson with your children. Visit GrowProclaimServe.com for encouragement and for ideas about including faith in your family's daily life.
